**1. Areas and Local Churches**

- a. The Area Supervisors have been incredibly busy and diligent in gathering church pastors and leaders on three to four occasions the past twelve months, building closeness in fellowship and promoting the Foursquare spirit. I offer my heartfelt thanks to the following for their faithful service:

In recent months, I had been approached by Pastor Rosel Joy Bona who requested his pioneering church **Life Choice Ministry** be affiliated with the denomination. Likewise, Pastor Max Meiruntu advised me of two outreaches he began late last year: **GPdI Campbelltown and Sydney City**. Nearer to home the church I lead just launched an outreach ministry **Life Centre Camden Valley** on Resurrection Sunday 2018. It's a year we can all rejoice about as the Foursquare Gospel makes an indelible mark in Queensland, NSW, Victoria and South Australia.

## 2. Ministry Reports

In contrast to Area fellowships, for various reasons youth, men's and women's ministries have not taken off as planned. Appointments of ministry coordinators for

Areas I, II and IV could not be effectively filled, while Area III men's under Pastor Josef Plichta were able to meet three times in the year. The women's ministry coordinated by Pastor Maureen Banton enjoyed several fellowship gatherings. The youth ministry overseen by Yan Riopirio was able to gather more than 350 for a very successful conference called MOMENTUM.
